Hello, I am calling from a public opinion research firm and I would like to ask you some questions. I am not trying to sell you anything and I won't be asking for a contribution of any kind. Can I please speak with [READ NAME ON LIST]?

Q) What is your gender? (Observe by voice, do not ask)

Male	265	48.2%
Female	285	51.8%
Total	550	100.0%

Q) Do you vote primarily by mail or in person at the polls?

Primarily by Mail	366	66.6%
Primarily in person at the polls	172	31.3%
Refused	12	2.1%
Total	550	100.0%

Q) Currently there is legislation being considered that would require voters who vote by mail to provide identification, such as a driver's license number along with their signature, prior to voting. For privacy reasons, this information would be able to be concealed. Would you support or oppose requiring those that vote-by-mail to provide proof of identification prior to voting?

Support	350	63.7%
Strongly Support	261	47.5%
Somewhat Support	89	16.1%
Oppose	146	26.6%
Somewhat Oppose	41	7.5%
Strongly Oppose	105	19%
Undecided	48	8.6%
Refused	6	1.1%
Total	550	100.0%

Q) There is another bill being considered at the legislature related to mail in voting. Under the bill, a person that does not vote by mail in 2 consecutive primary and 2 consecutive general elections may be removed from the early vote-by-mail list unless they return a notice within 30 days from the county indicating they would like to remain. If the individual fails to return the notice, they would still be registered to vote and eligible to rejoin the vote-by-mail list at anytime. Would you favor or oppose this bill as explained?

Support	282	51.2%
Strongly Support	201	36.5%
Somewhat Support	81	14.7%
Oppose	209	37.9%
Somewhat Oppose	76	13.9%
Strongly Oppose	132	24%
Undecided	53	9.6%
Refused	7	1.3%
Total	550	100.0%

Now, I'm going to read you a series of statements and ask if you support or oppose each one. [ROTATE ORDER OF FOLLOWING TWO QUESTIONS]

Q) Require all voters provide identification in order to vote

Undecided	21	3.9%
Refused	3	0.5%
Total	550	100.0%

Q) When it comes to the debate over proposed election laws, Which argument do you believe to be more persuasive?

Election integrity laws such as requiring Voter identification are reasonable measures to prevent fraud and strengthen the integrity of our elections	256	46.5%
Current laws for election integrity are already sufficient and any new election restrictions only serve the purpose of disenfranchising voters and suppressing turnout in minority communities.	210	38.2%
Neither argument is persuasive	21	3.8%
Both are equally persuasive	34	6.2%
Refused	29	5.3%
Total	550	100.0%

Target Population   Registered Voters in Arizona, Statewide.

Sampling Frame & Methodology   Frame:
The sample frame includes registered voters with landline and cell phone telephones.

Methodology:
Live survey; 60% landline telephone and 40% cellphone telephone.

Contacted voters were selected randomly from a list of registered voters in the State of Arizona purchased by Data Orbital Consulting, LLC from i360. Of the voters surveyed, 60% have voted in between two and four of the last four general elections, 13% have voted in one of the last four general elections, and 27% have voted in none of the last four general elections. Voters without a valid landline or cellular telephone number were not contacted.

Selected voters were contacted from April 7th to 9th, using an all Live survey presented in English.

Weighting	The sample was weighted for gender, age, race, party affiliation, education attainment and geographic region to mirror the registered voter population in Arizona. Election data was sourced from i360 and the Arizona Secretary of State.
Total Number of Respondents	550
Margin of Error	± 4.18% (95% confidence interval) Margin of error does not take into consideration design effect.
