AZ Voters Support Common-Sense Election Reforms

To: Arizona Free Enterprise Club
From: George Khalaf, President, Data Orbital
Date: 4/12/2021

Data Orbital conducted a live statewide survey of 550 registered Arizona voters to gauge their opinions on Arizona’s election integrity and possible reforms before the Arizona legislature during the Fifty Fifth Legislature. The survey was conducted from April 7-9, 2021.

Bipartisan majorities supported two separate reforms strengthening Arizona’s voter ID requirements.

Majority of AZ registered voters support ID requirements for vote-by-mail

Majority of AZ registered voters support requiring ID for all who vote
