Arizona Freedom Club PAC Endorses Elijah Norton for Arizona State Treasurer

PHOENIX, AZ – The Arizona Freedom Club PAC is proud to endorse Elijah Norton for Arizona State Treasurer. A self-made businessman, proven financial leader, and committed conservative who has already demonstrated he can safeguard taxpayer dollars and deliver real results for Arizona.

Elijah Norton is not another career politician. He built a successful Arizona-based company from just \$1,000 in savings into an industry leader with more than 100 employees. He understands budgets, accountability, and what it takes to manage money responsibly.

Elijah Norton stands firmly for an Arizona First agenda. "Elijah Norton brings exactly the kind of accountability and financial integrity Arizona taxpayers deserve," said Scot Mussi, President of the Arizona Freedom Club PAC. "He has balanced budgets, created jobs, cleaned up waste inside the Arizona GOP, and delivered sweeping victories for conservatives. He's the type of watchdog we need overseeing every tax dollar."

The Arizona Freedom Club PAC believes Elijah Norton is the strongest, most qualified candidate to protect Arizona's finances and bring accountability, transparency, and fiscal discipline to the State Treasurer's Office. We proudly give him our full endorsement.
