The Arizona Freedom Club PAC proudly endorses Kimberly Yee for Arizona Superintendent of Public Instruction.

PHOENIX, AZ – Kimberly Yee has a proven record of leadership and integrity, serving as one of the most successful State Treasurers in Arizona’s history. She safeguarded taxpayer dollars, improved transparency, and championed fiscal responsibility, the same principles she’ll bring to Arizona’s schools.

“Arizona parents and students deserve a leader who will put education, not ideology, first,” said Scot Mussi, President of the Arizona Freedom Club PAC. “As Treasurer, Kimberly Yee protected our state’s finances and delivered real results for families. As Superintendent, she’ll protect parents’ rights, defend Arizona’s Empowerment Scholarship Account program, and ensure every family has the freedom to choose the education that best fits their child.”

Over the last several years, Arizona’s education system has been consumed by political agendas that distract from student success. Kimberly Yee will restore focus where it belongs: reading, writing, math, and preparing the next generation to succeed.

“The Superintendent of Public Instruction is one of Arizona’s most important offices, shaping the future of our classrooms and our economy,” added Mussi. “Kimberly Yee’s proven financial expertise, commitment to school choice, and principled leadership make her the right choice to get Arizona education back on track.”

Paid for by the Freedom Club PAC. Not Authorized by any Candidate or Candidate Committee
